Welcome to the *Virtual* Frome Open Art Trail

Although we may now be able to visit family and friends again, at the time of setting the brochure we were being very careful with social distancing, staying at home and then gradually making our way back to work.

So – welcome to our online Art Trail with 51 artists in and around Frome! There is something here for everyone: ceramics, painting, sculpture, textiles, jewellery, glasswork, photography and much more.

Each of the artists has devised individual ways of showing their work, so click on the links to see what wonders await you! There is an entry in the Brochure for every artist via websites, Facebook, Instagram and other platforms.

You can take your time to visit the artists online, look closely at wonderful pieces of work lovingly crafted, see into studios or watch moving installations. All artists can be contacted by phone or email.
